City of Dunkirk - Common Council
342 Central Avenue
Dunkirk, NY 14048

Dear Common Council Members,

The Chautauqua County Exceptional Senior All-Star Baseball/Softball Committee would like to request the use of Promenschenkel Stadium on the evening of Monday, June 12th, 2017 (rain date: Tuesday, June 13th, 2017) for the purpose of hosting the 2017 Chautauqua-Cattaraugus Exceptional Senior All-Star Softball games - an event sanctioned by the New York State Public High School Athletic Association (NYSPHSAA) and Section VI.

Attached to this letter is our application for use of the field and payment. Proof of insurance, specifically naming the City of Dunkirk as additionally insured, is being sent directly to the city from our insurance provider. It is identical to the insurance provided each of our previous years.

Please note, this year we will again be including schools from Cattaraugus County in our baseball and softball games. This will require a double-header (2 games, back-to-back), raise the quality of play and, more importantly, increase number of people traveling to Dunkirk - enjoying dinner, purchasing gas, stopping for ice cream, etc. on their way to from the games.

Thanks to the Common Council graciously approving our previous requests, the last four softball games were each a huge success. Historically, Dunkirk has been very well represented - as a Marauder student-athlete was selected the North Team's most valuable player three times.

With your approval, we would like to continue this great tradition and give the 2017 softball games the proper stage that they deserve. If approved, we will be in contact the Parks and Recreation Department and will coordinate parking with the City of Dunkirk Police Department in the weeks leading up to the event.

We thank you for your consideration of our request and hope to have the opportunity to continue to share a great event with the City of Dunkirk!

Sincerely,

DUNKIRK COMMUNITY POUND CLASSES – SUMMER 2017

THREE FREE POUND CLASSES WILL BE OFFERED THIS SUMMER AT VARIOUS LOCATIONS
IN THE CITY OF DUNKIRK

<u>CLASS 1</u>	<u>CLASS 2</u>	<u>CLASS 3</u>
THURSDAY, JUNE 8 6:00 PM MEMORIAL PARK	FRIDAY, JULY 14 9:00 AM WRIGHT PARK BASKETBALL COURTS	THURSDAY, AUGUST 3 6:00 PM POINT GRATIOT

THE CLASS

Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND® transforms drumming into an incredibly effective way of working out. It is an infectious, total body workout that leaves rockers dripping sweat and burning calories. The workout combines cardio, conditioning, and strength training with yoga and Pilates-inspired movements.

Designed for all fitness levels, POUND® provides the perfect atmosphere for letting loose, getting energized, toning up and rockin' out! The workout is easily modifiable and the alternative vibe and welcoming philosophy appeals to men and women of all ages and abilities.

THE BENEFITS

- + Burn up to 900+ calories per hour, strengthen and sculpt infrequently used muscles, and drum your way to a leaner, slimmer physique – all while rocking out to your favorite music!
- + Drastically improve your rhythm, timing, coordination, speed, agility, endurance, and musicality.
- + Cinch the waistline, slim the thighs, and strengthen connective tissue and infrastructural muscles with the combination of stability and cardio.
- + Numerous studies have proven the powerful brain boosting, stress-relieving effects of drumming. The rhythm of drumming permeates the entire brain to improve focus, increase higher-level thinking and decision-making skills, boost the immune system, lower blood pressure, decrease chronic pain, anxiety, and fatigue.

WHY IT WORKS

POUND® strategically distracts you from the high-intensity and duration of your workout, and shifts your focus to rhythm and volume. This strategic distraction is responsible for the "addictiveness" of POUND® - the reason you can't stay away!

Each 2-4 minute song is carefully calibrated with interval peaks and extended fat burning sequences providing the best workout in the shortest span of time. After you're done rocking out in a 45-minute POUND class, you'll have completed up to 15,000 reps, performed over 30 extended interval peaks, and zipped through more than 70 techniques without even realizing it.

Dear Chief Ortolano, Mayor Rosas and the members of the Common Council,

On Wednesday, May 31st Special Olympics New York and the Law Enforcement Torch Run would like to carry the Flame of Hope throughout the Dunkirk community. Just like past years, the Flame of Hope would run from Dunkirk High School, down 6th Street to Central Avenue ending at the local Track and Field meet in SUNY Fredonia. The Torch would start the journey around 9:00am. We are asking for permission to use these streets. The run will be over by 9:30am and the streets will not need to be shut down. We welcome all members of the community to get involved in this event. Special Olympic Athletes and Law Enforcement officers will be involved in this event. The run paces at about a 10 minute mile.

Members from the New York State Police, SUNY Fredonia Police, Lakeview Correctional Facility, Collins Correctional Facility, Chautauqua County Sheriff's among other agencies will be involved in this awareness run. All of these agencies will be assisting with traffic control. Attached you will find a copy of the insurance for Special Olympics. Pending approval from you, Special Olympics can name the City of Dunkirk as an additional insured.

Special Olympics is the Law Enforcement charity of choice, raising funds and awareness throughout different communities. Last year, the Law Enforcement Torch Run raised 2.1 million dollars for the Athletes of Special Olympics New York. This year, the Flame of Hope started its journey in Olean, NY and will end the journey as it makes its way to the 2017 State Summer Games hosted by Sienna College on June 16th. The funds generated by Torch Run initiatives support the nearly 69,000 athletes of Special Olympics New York who train and compete year-round in 22 Olympic-style sports throughout the entire state. There is never a charge to our athletes or their caregivers to participate in Special Olympics.

Should you have any questions or concerns, please do not hesitate to contact myself at the information listed below. Thank you in advance for your participation!
