

FOR IMMEDIATE RELEASE

Effective June 1, the City of Dunkirk Public Works Department will require all commercial contractors, landscapers, and tree service contractors to acquire an annual permit at a fee of \$200.00 which will allow contractors to transport brush, trees, branches and/or leaf materials to the Public Works facility on Lucas Avenue.

Permit applications can be obtained through the City Clerk's office at City Hall at which time a sticker will be provided for identification purposes once the fee has been paid.
