***Sign Review - 21 E Second Street - Erie Chautauqua County BOCES  
Resolution #2016-4***

A representative from Erie Chautauqua County BOCES was present at the previous Planning Board meeting on June 23, 2016, and described the project, shared photos of potential designs. A quorum was not present during that meeting so no action could be taken. Ed Schober and Nicole Waite explained the project to the rest of the board. The window sign would be made of vinyl and adhered to the inside of the window. It would be removable. They could make it either solid or perforated to keep the sun out or let people see in. The image would be from IStock and show adults in a learning setting. The smaller sign would be screwed into the brick and would go where the former café sign was located. The wording would be for E2CCB Adult Learning Center. The board members had no questions or concerns. Ed Schober made a motion to approve the sign, seconded by Chris Piede. Carried, all voting aye.

**New Business:** None

Ed Schober made a motion for adjournment at 12:05 p.m., seconded by Andy Bohn. Carried, all voting aye.
