

DLDC MINUTES

11-18-2015

Item 1: The board wrapped up discussion of Niagara Motors property. Prior to meeting Mr. Betts was informed that property contained more environmental issues the DLDC was aware of. He will inform us of any future interest. Discussion of DLDC's financial responsibility of future cleanup was confirmed (around \$50,000) and how that would affect marketing of property.

Item 2: Presentation by Chautauqua County Health Network (CCHN). Gave overview of previous work with City/DLDC and plans for future work. Copy of Draft agreement was presented to board members for review & questions. Much discussion revolved around food deserts and providing healthy eating choices in our schools (see power point print out for more detailed information on their presentation).

Item 3: Copies of the DLDC Audit were presented to board members on their way out and it will also be available on the city's website—dunkirktoday.com

In Attendance (not all board members): Rich Halas, Steve Sek, Willie Rosas, Andy Gonzalez, Tom Panasci, Laurie Gawronski, A.J. Dolce, Joe Becerra, Rosemary Banach.

Guests: Ann Abdella & Shelly Wells (CCHN)

Press: Observer
