

MENTOR CHALLENGE

15 Mentors in 15 Days

Would you like to see talented youth graduate from the P-Tech Academy and begin their life long careers here and remain in Chautauqua County?

Do you have a couple of hours each month to spend with a small group of students at the P-Tech Academy?

Would you enjoy sharing professional guidance, wisdom, academic, and personal support to high school aged students?

Are you a reliable, interactive, and responsive role model? Someone who embraces diversity and offers encouragement, problem solving strategies, and maintains confidentiality?

What is P-TECH WNY STEM College & Career Academy?

This unique Academy offers a place-based, differentiated learning culture with specialized educators working in tandem with higher education, business partners, and component school districts to support students as they obtain a NYS Regents Diploma and AAS in Mechanical Technology (with specializations available in pre-engineering design or precision machining) or Welding in addition to several certifications through CTE.

Businesses and individuals who volunteer for this profound opportunity and complete the entire screening and training process will receive free publicity through several facets of Social Media.
