

Public safety meeting minutes
December 30, 2013.

Call to order by Chair Szukala at 2:00 P.M.

Members in attendance: Chair Szukala, Bill Rivera

Also in Attendance: Chief Ortolano Sue Chiappone (Buffalo News),
Gib Snyder (Observer)

Chief Ahlstrom was not in attendance. He was out of town. Will get an update on Third party billing at next meeting. Building study will be discussed at future council meeting.

Chief Ortolano discussed school zone traffic and littering. He stated the officers have given several tickets for speeding around schools and that the sign placed at the Middle school bus loop has helped in relieving traffic congestion. Szukala asked for a year end report of calls for department. Ortolano replied it would be forthcoming in a month or so.

The shared service agreement with the town seems to be going well. Future talks will continue with the possibility of more shared services.

Szukala asked about the decision of driving bans. Chief replied that it is a joint decision between himself, The Mayor and the Public Works Dept. The objective is to allow plenty of room and time for plows to make the streets safe for travel. He thanked his night shift officers for their help in the clearing of the streets.

There were no other questions or concerns presented at this time.
