Number of People in Household (please check one)	1	2	3	4	5	6	7	8 or more
Total Household Income (please check one)	Less than \$35,800	Less than \$40,900	Less than \$46,000	Less than \$51,100	Less than \$55,200	Less than \$59,300	Less than \$63,400	Less than \$67,500

\*There are a limited number of free furnaces and CO detectors available based on the generosity of the individuals and companies who support us. Decisions regarding who will receive free furnaces are based on annual income, household size, and need and are made at the sole discretion of the Amanda Hansen Foundation.

- \_\_\_ I give the Amanda Hansen Foundation permission to contact me in the future about news and events
  
- \_\_\_ I would like to be contacted about volunteering for the Amanda Hansen Foundation

**About the Amanda Hansen Foundation:** The Amanda Hansen Foundation, Inc. was established in 2010 by Ken and Kim Hansen; this organization has worked to raise awareness and funds to prevent death from carbon monoxide poisoning. Over 16,000 CO detectors have been placed in homes and businesses free of charge since the nonprofit's inception. In addition, thousands of Western New York students and citizens have benefitted from free lectures on CO safety made possible by the Amanda Hansen Foundation.

The Amanda Hansen Foundation is partnering with Assemblymember Michael P. Kearns in gathering information. Also, his office will be assisting the foundation in fielding and answering questions about the surveys.

**For more information please contact:**

Assemblymember Michael P Kearns  
1074 Union Road  
West Seneca, NY 14224
