§28-10 Revocation of license; renewal after expiration. (B) A license not renewed before the expiration date automatically becomes null and void. Any license not renewed on or before the expiration date will be renewed only upon the full payment of an original license fee, but without examination. After thirty (30) days after the expiration date, the licensee shall be required to re-qualify and pay the full fee for a new license, subject to the conditions set for the in §28.6
