Dear Student:

The City of Dunkirk is recruiting for lifeguards for the beaches and Camp Gross for the summer of 2018. Lifeguards are required to complete a Lifeguard Certification course ...but, the City has a cost-sharing program available for qualified applicants.

- The cost of the full lifeguarding certification course is \$250.00; the City will pay the full cost up front, and the candidates will reimburse the City for 50% of the cost through weekly payroll deductions.
- Candidates must sign an agreement to lifeguard for the City for the duration of the season – through the Labor Day Weekend.
- The Certification class is scheduled to begin May 2nd at the DHS Pool (for more information visit the DHS Facebook Page). The course instructor is Ms. Mary Jopek.
- Upon approval by the City's HR Department, successful candidates who complete the course will have secured themselves summer employment with the City for 2018.

This will be a banner year for the City of Dunkirk with our beaches in full swing by Memorial Day – we are looking forward to having you, the best of the best, join our lifeguarding team.

Sincerely,

Wilfred Rosas, Mayor
City of Dunkirk
