New Business:

Tim Gornikiewicz said today was going to be a fairly open discussion. He said that the youth basketball league is going well; 9 teams total from both groups. The Rec Center opens in mid December. The City recently purchased indoor soccer nets for the new indoor soccer league.

There was a discussion on winter activities. Joe Gould asked about flooding 4th Street. Tim Gornikiewicz said that he would talk to the Parks and Fire Departments about it.

The group discussed summer activities and bringing back the playground program. Tim Gornikiewicz explained that Summer Camp kind of replaced that. The group felt that this could work and should be pursued. Tim Gornikiewicz explained it very well could, but funding could be an issue. The City goes out to clubs and organizations for funding all the time, and it gets harder and harder. Tim Gornikiewicz said he would look into it, and maybe start a trial location to see how it would go.

Matt Martinez made a motion to adjourn at 7:28. Seconded by *Marty Bamonto*.
