2016 Rules and Regulations

Note: submission of an application does not guarantee inclusion in the race. Consideration is based on applicant's theme, costume, propulsion, vessel design and any additional information provided by the applicant.

1. All participants must be 18 years of age. The entire crew must sign the enclosed waiver of responsibility. Signed waivers must accompany completed entry forms. Last minute crew changes are permitted upon receipt of signed and witness additions to the Release and Indemnity Form.
2. US Coast Guard approved "personal floatation devices" (Life jackets) must be worn at all times during the race. The life jackets must be in good condition and be of proper size.
3. Teams must consists of a minimum of 1 and a maximum of 10 participants. Each group must be capable of handling all the blame for losing or sinking.
4. Your craft **MUST NOT** be designed or built to travel on the water any further than the length of the race course. (I.E. power boats, canoes, kayaks, skiffs or other commercially designed crafts will not qualify.) The decision of the judges is final. The vessels must be powered by human energy. No engines or motors will be accepted. Sails, paddles, oars and paddle wheels are acceptable.
5. All vessels must be carried or rolled to the launch area and from the finishing area. Once the vessel is launched and in the race your team may push, pun, paddle, shimmy or sway your vessel to the finish line.
6. All vessels must have 25' towrope on board.
7. As a safety precaution, please be sure your vessel has an easy exit in case of emergency.
8. All vessels must remain inside the designated race course. Any vessel straying outside of the course is subject to United States Coast Guard restrictions
9. Should your vessel self-destruct at any time during the race, the shore patrol will make sure that you deposit what is left, in the proper containers. The United States Coast Guard does not permit any parts of your vessel to be left in the water. Please be sure all materials stays on your vessel.
10. Alcohol is not to be consumed during the race. The presence of alcohol on your vessel and/or the consumption of alcohol during the race will result in immediate disqualification and/or possible fines.
11. The race will occur rain or shine! Cancellation will only occur due to severe or dangerous weather conditions and high water.
12. Boat Captains are responsible for the proper salvage and disposal of your craft's remains
13. Sponsors are not required, though they may be beneficial in supplying materials or funding with which to build your vessel.
14. All vessels and participant entries will be inspected to assure design, costume, etc. are in "good taste" and that the logo or identification does not violate standards. Entries deemed inappropriate may be disqualified.
15. The Dunkirk "Anything That Floats" Committee reserves the right to amend these rules at anytime.
