PROCLAMATION

- WHEREAS,** the safety, health, and well being of any community is greatly dependent upon the vital services and facilities provided by our Public Works Department and more specifically, our wastewater treatment facilities; and

- WHEREAS,** like many utility services, wastewater is underappreciated – until something goes wrong; and
- WHEREAS,** the dedicated men and women that work in our wastewater plants work 24 hours per day, 7 days per week, 365 days per year to protect public health and the environment; and
- WHEREAS,** this record of reliability is largely credited to the hard work of our wastewater employees;
