January 29, 2015

Present: Ed Schober, John Mackowiak, Andy Bohn and Chris Piede. Also present was Steve Neratko, Lacy Lawrence and Bill Vacanti.

Absent: Bill Tuggle

Meeting was called to order by Andy Bohn at 6:03 p.m. located in the Mayor's Conference Room, in City Hall.

Acceptance of meeting's minutes: Ed Schober made a motion to accept the minutes of December 11, 2014, seconded by Chris Piede. Carried, all voting aye.

Communications from the Public and Petitions: none.

Old Business: none

New Business:

***Sign Review-419 Central Ave.-Lake Erie Medical
Resolution 2015-1***

Bill Vacanti discussed the sign. He stated the size is in accordance with the regulations. The design is a simple flat sign, 8 inch thick material, with aluminum face on both sides. 2ftx13ft the lettering and print would be a digital print with laminated to protect from weather. Chris Piede asked if there might be anything they could do to make the sign look more "historical." The members then discussed surrounding storefronts. Chris asked about gold leaf letter, and Bill stated gold leaf is much expensive. He stated that they tailored the colors of the sign to what Lake Erie Medical requested. Ed Schober stated he has no objections to the style of the sign since the building itself is not aesthetically historical. Ed Schober made a motion to approve the sign, seconded by John Mackowiak. Carried, all voting aye.

The meeting came to an adjournment. All voted in favor.
